Hi Peter-

We don't have a good scanner, so emailing them is not an option. Once I retrieve my notes, I can either fax it to the ADA directly, or fax it to your attention at the Boston lab and then you could scan them and include them with your information. Let me know which is better for you and, if you want me to fax them to the ADA directly, what is the fax number? I'll try to get them before I leave today (~3pm), but if not, I will first thing in the morning.

Hi Sonja,

I need your notes for two lab numbers. Let me know if you'll be sending it to the ADA or if you'll be scanning and emailing to me.

Thanks
Peter
